This proposed regulatory action will bring the regulations into conformance with amendments to the California Corporations Code (CCC).

Section 6680(d) identifies the agency(s) that can be designated as a Consolidated Transportation Service Agency. The proposed amendment reflects changes to the CCC, which is referenced in CCR section 6680.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code section 11346.5, subdivision (a) (13), the Department must determine that no reasonable alternative it considered or that has otherwise been identified and brought to the attention of the Department would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.
